

“Destroys all unpleasant malodours”

Fresh Air Indoors

There are some places where up until now, it seemed we had little choice but to put up with unpleasant smells. We now have a natural solution. In the modern environment we tend to close ourselves off from the natural freshness we experience outside. Ozone generators have been designed to put a small trace element of ozone into the environment to reproduce this natural freshness.

Airmaid 2300 (Fixed)

Ozone Output	40mg/ hr - 70mg /hr
Dimensions	210mm x 75mm x 135mm
Weight	1.2 KG
Voltage/ Freq.	220 - 240V, 1 Ph, 50/60 Hz, 110V
